

Homeowners Design Center

Feeling overwhelmed with design decisions?
 Stop by for help from the experts.

VISIT WITH OWNERS RANDALL AND JESSICA OMOTO at the BIA Hawaii BIG Home and Remodeling Show for a one-on-one session at their iconic “Kitchen Therapy” booth, inspired by Peanuts’ Lucy and Charlie Brown. With over 30 years of design and construction experience, Randall will be “in session” to guide you through your design dilemmas and renovation process with expertise, patience, and a sprinkle of humor. With an array of options, they guide, but never dictate, ensuring your home reflects your unique vision. And here’s the twist – no consultation fee! Meet Hawaii’s trusted and family-owned remodeling, renovation, and new construction resource for cabinets, flooring, countertops, and more. Let Homeowners Design Center help make your design dreams a reality.
