

KunkelWorks Hawaii

KunkelWorks Hawaii keeps bringing award-winning Japanese products to the Islands year after year.

LOCALLY OWNED AND OPERATED FOR 30 YEARS, KUNKELWORKS HAWAII offers exceptional aluminum exterior systems, including carports, patio covers, gates, fences, and home entry doors. As Hawaii's exclusive distributor of Japanese exterior products, they deliver unique craftsmanship that is built to last, resisting corrosion and requiring minimal maintenance.

KunkelWorks Hawaii stands out by providing genuine Japanese quality in a market that has been flooded by inferior look-alike products from China. Japanese products are precisely fabricated for each project and can be further adapted and customized on site in order to ensure a perfect fit for residential or commercial needs, showcasing sleek, modern designs.

You can explore KunkelWorks Hawaii's product galleries online at www.KunkelWorks.com and see the transformation Japanese products can bring. For detailed product information and a free quote, you can book an appointment online or call 808-955-8211.

Visit KunkelWorks Hawaii's Booth at the BIA Show August 9-11 for new products preview and exclusive Summer Specials!
