

Blueprint808

Years in Business: 6

BLUEPRINT808 IS LED BY ARCHITECT ANDREW FORMAN AND A BESPOKE TEAM OF EXPERTS in Island design. Drawing from extensive experience in high-end hospitality and multifamily projects, Blueprint808 has focused on redefining the design experience for luxury custom homes across Hawaii.

Notable Accomplishments:

Awarded “Reader’s Choice Favorite Architecture Firm” by *Hawaii Home + Remodeling* magazine for five consecutive years, Blueprint808 invites you to design your dream home with Hawaii’s most experienced team of residential architects.

Drawing from experience on over 100 completed homes, the simple and transparent system is the most efficient process of its kind in the industry. That’s Blueprint808, a modern take on the practice of architecture.

Top Three Design Tips:

1. Know the styles — Blueprint808 is renowned for modern takes on traditional architectural practices. Connect with Blueprint808 for a one-of-kind project.
2. Know the rules — Blueprint808’s process is tailored to simplify the complexities of homebuilding in Hawaii with quality and efficiency.
3. Know the process, costs, materials — stay informed on your project with Blueprint808’s 3D-design modeling, personal project management and virtual team collaboration.
