**ESTABLISHED IN 1997, HAWAII KITCHEN & BATH IS AN AWARD-WINNING CUSTOM CABINET FABRICATOR.** Its proprietary IslandModern line, inspired by European cabinetry, offers storage solutions that blend timeless design with current trends. Founders Cris Johnson and Jayme Thompson, with their expert team, are available for consultations by appointment.

## Notable Project:

Hawaii Kitchen & Bath's craftsmanship and expertise shine in this contemporary Kailua kitchen. The warm walnut wood and ultra-matte white, flat-panel cabinets create a tonal contrast that complements the home's serene beachfront setting. The kitchen island is the focal point, adding style to this elegant renovation.

## Top Three Design Tips:

- Select materials for lasting durability and aesthetics. Hawaii Kitchen & Bath uses fine wood veneers, premium finishes and more.
- Functionality comes first. Consult professional fabricators to ensure your cabinetry design aligns with your daily routine.
- Custom cabinets are a worthwhile investment. Hawaii Kitchen & Bath is committed to the highest standards of workmanship.
